EXCALIBUR MATRIX SAPPHIRE PERFECT FOR THE SMALL-FRAMED SHOOTER

Kitchener, Ontario, Canada - We all love speed and power, but there should be a crossbow for everyone.

Introducing the Excalibur Matrix Sapphire, the perfect crossbow for the small-framed shooter. The Matrix Sapphire delivers all the power needed for all North American game in a more compact and comfortable frame.

“The Matrix Sapphire crossbow is the ideal crossbow for the smaller shooters or those just learning to shoot,” said Ryan Hawkins, product marketing manager for Excalibur. “Everything from the look and feel to the performance of this crossbow makes it a perfect match for small framed shooters.”

SAPPHIRE

SPECIFICATIONS

Power Stroke:	10.8"	Width Uncocked:	32.25 Inches
Draw weight:	200 lbs.	Weight:	5.5 lbs.
Overall Length:	32.25"	MSRP:	\$829

Carrying similar features to the Matrix line, the Sapphire has a narrow profile and ultra short stock producing a shorter length of pull, which brings everything closer to the shooter by one inch.

The Matrix Sapphire sports Excalibur Compact Recurve Technology (CRT) limbs and a compact thumbhole stock. The crossbow weighs 5.5 pounds, spans 30.5 inches uncocked and has an overall length of 32.25 inches. The crossbow has a 10.8-inch power stroke and produces arrows speeds up to 305 fps.

While this crossbow may be ideal for the smaller or novice hunter, there were no compromises made when it comes to quality. The Matrix Sapphire will deliver the same durability and reliability customers expect from Excalibur.

Offered in Mossy Oak Break-Up® Country™, the Matrix Sapphire comes equipped with a Dead Zone scope, four-arrow camo quiver, four Diablo arrows and a rope cocking aid. Suggested retail price on for the crossbow is \$829.
