EXTREME PERFORMANCE COMES STANDARD IN NEW STRYKER KATANA 360

EUGENE, Ore. - Stryker Crossbow launches the Stryker Katana 360, a high-performance crossbow that outclasses the competition in size, technology and speed. Stryker's most efficient crossbow ever, the Katana 360 delivers shooting comfort, deadly speeds and a price that brings incredible value to the consumer.

"The Stryker Katana 360 delivers industry-best performance and safety features, making it an ideal choice for the avid user or the crossbow novice," said Todd Snader, Product Marketing Manager for Stryker. "From perfect balance to a blazing fast and ghostly quiet shot, the Katana 360 has everything you need for success in the field."

SPECIFICATIONS

Power Stroke:	13 inches	Axle-to-Axle:	20 3/16 inches
Draw weight:	150 lbs.	Weight:	6.5 lbs.
Overall Length:	35 inches	MSRP:	\$949

The Stryker Katana 360 features a lighter platform and bullpup stock with oversized finger guards for added safety. It comes equipped with Stryker's Guardian Anti-Dry Fire system and the unique ability to be de-cocked, which makes the crossbow even safer in the woods.

Delivering plenty of power from its lightweight frame, the Katana 360 fires bolts at speeds up to 360 fps. The crossbow weighs 6.5 pounds and measures 20 3/16 inches uncocked, 17 1/2 inches at full draw and 35 inches in length. The Katana 360 draws at 150 pounds with a 13-inch power stroke.

The crossbow comes equipped with a full set of accessories: a Dead-Zone scope with 1-inch rings, X-Hanger three arrow quiver with bracket, three AccuStrike Light arrows, three 100-grain field points and a rope-cocking aid.

The Katana 360 is available in Realtree Xtra®, and the suggested retail price of the crossbow package with accessories is \$949.
