The Solution and Solution LS feature an advanced cam system that delivers more speed with less draw weight than comparable crossbows available today. The Solution LS produces arrow speeds at 390 fps with just 155 lbs. of draw weight.

Also included in the Solution crossbows is the Stryke-Lite trigger system, a trigger comparable to a match grade rifle trigger with just .015 inches of travel and a crisp 3 lbs. of pull.

The Solution crossbows weigh just 6.9 lbs. and have a 15.5-inch power stroke. Axle-to-axle lengths are 19 3/16 at brace and 16 1/4 at full draw. The Solution has a draw weight of 125 lbs., and the Solution LS draws at 155 lbs.

Included with the Solution are three 385-grain bolts, a three-arrow quick-detach quiver, multi-reticle scope and cocking aid. The Solution LS includes five bolts, a five-arrow quiver, multi-reticle scope, cocking aid and string stops.

The Solution comes standard in BlackOps™ and the Solution LS in Realtree® APG™. Suggested retail prices are \$899 for the Solution and \$1049 for the Solution LS.
